

THE PUBLIC SAFETY GROUP

When Seconds Count® You Can Count On The
Public Safety Group

ACTIVE SHOOTER CLASS

The most comprehensive active shooter class on the market. This class will not only give Telecommunicators the historical perspective of the active shooter, but will also provide skills your Telecommunicator can use during active shooter events. Lessons learned from previous incidents are discussed using recent case studies and actual audio tapes from active shooter events. The course will also discuss what the Telecommunicator can expect in future incidents and the possibility of terrorism and the active shooter.
