Discussion was held reference the next APCO/NENA State Conference. A suggestion was made to have a “Motivational themed” luncheon instead of the evening gala. Perhaps we would have a better attendance.

Eddie suggested expanding the vendor hall hours to encompass the 9-1-1 coordinators. He also suggested a time limit on payment from a vendor once they sign up for a booth and/or sponsorship. He advised we were still waiting on payment from two vendors for this conference.

Eddie advised overall the vendors were happy with the conference and the attendance in the vendor hall. He had a few vendors pick their booths for the 2014 Conference.

Chris would like a conference survey to be sent via Cvent.

Lynn to send Ben Guthrie the 2014 MOU for his signature.

2014 Conference chairs will be Brianna Kelly from Alachua County-APCO  
Amber Siena from Osceola County-NENA

Lynn will send the current conference manual to Jacquelyn Yeager for updating.

Robin advised because of the change in conference dates, a decision about the pre and post classes for next year’s conference need to be completed by March from NENA and APCO boards.

President Hodges advised the current committee chairs will remain, there will be two Board oversight changes. Jacquelyn Yeager will be the FL Tert oversight; Nancy Morris will be the By-Laws chair as per policy.

APCO board conference call will be November 14.  
The first 2014 Conference conference call will be November 21.

President Hodges to send Robin the info so a conference line can be obtained.

Meeting adjourned at 11:30
