“ Nathan’s ability to relate a personal tragedy and motivate us to always do our jobs at the highest level is an inspiration to those who take 9-1-1 calls and support the systems needed to operate 9-1-1. ”

The Denise Amber Lee Foundation was founded by Denise’s loving husband, Nathan, who sought changes to a 9-1-1 system that failed her that day. The Foundation is here so no other person, family, or community has to endure the pure hell of a similar event and that no other children have to endure a lifetime without the comfort and guidance of their loving mother.
